

I represent a proud New Zealand company, committed to science and service.

- I can do an initial bomb wash and will draw up a personalised cleaning programme for your plant when you start with the Donaghys hygiene system.
- I or my colleague will be available at any mutually agreed time to assist with any milk quality issues throughout the year.
- You will have access to trained, experienced Donaghys staff.
- We will provide on-farm training to support our products.
- We will use best endeavours to present competitive pricing and attractive offers to support a “will not be beaten” attitude.
- We can arrange for free delivery of your order on farm.
- We will work with your chosen merchant to deliver product support and service.
- We will provide access to our scientists for technical back-up.
- We plan to continue with R & D into new products and solutions for increased productivity and efficiency on your farm.

“ *In the unlikely event that a Donaghys product fails to deliver the outcomes promised by our product literature, when used as directed, Donaghys will refund the full purchase price of the product.\** ”
